PRP INJECTIONS FOR HAIR GROWTH

PRP injections can harness the power of your body's powerful natural growth factors. This is our non-surgical solution to fuller, thicker hair!

KYBELLA

Kybella is an injectable treatment that helps the body to dissolve fat in the treated area. For men, the most popular treated area is the double-chin area.

WRINKLE REDUCER (BOTOX/DYSPORT/JEUVEAU/XEOMIN)

Nearly 7 million Botox procedures were done last year. With our conservative approach, you'll look well-rested without looking like you had work done.

COOLSCULPTING

CoolSculpting is our #1 non-invasive fat reduction procedure. Coolsculpting works by using controlled cooling to safely target and remove diet- and exercise-resistant fat.

EMSCULPT

This is the world's only procedure that simultaneously builds muscle and breaks down fat. Emsculpt delivers results in the treatment area by metabolizing fat and building muscle.

FILLERS

Dermal fillers fill and smooth facial wrinkles and folds. Fillers can also be used for volume replacement, so you look your best for your age.

REDNESS MINIMIZER LASER

Facial redness is a top complaint of our male clients. This 20-minute laser calms facial redness and tightens pores without any downtime.

CHISELED JAWLINE PACKAGE

Get a stronger, more defined jawline with this combination treatment.

LASER HAIR REMOVAL

Remove unwanted hair with our state-of-the-art laser device so you spend less time shaving and experiencing razor burn. If you want a hair-free back or chest, this is your solution.

GENTLEMEN'S FACIAL

This 60-minute custom facial for the modern man has a focus on deep cleansing and hydration to have you looking rested.

FULL BODY SKIN EXAM

Skin cancer is the most common form of cancer in the United States. We recommend at least one full body skin screening each year with **Dr. Nichols** to keep your skin healthy and cancer-free.

NO-SWEAT INJECTABLE TREATMENT

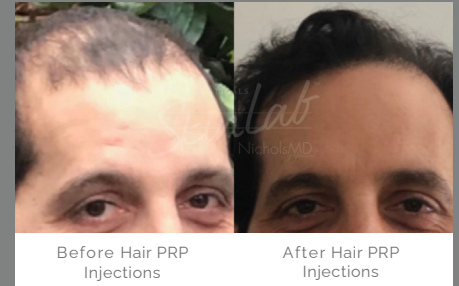

Excessive sweating, or hyperhidrosis, can be a debilitating condition that interferes with daily living. From sweaty palms to clothes that are soaked through at the underarms, those suffering from hyperhidrosis can find tremendous relief with our 25-Minute No-Sweat Injectable Treatment.

THE MALE EXECUTIVE PACKAGE

This natural-looking, anti-aging treatment plan specifically addresses hair, the upper face, and stomach so you can look rested, youthful, and toned without appearing 'done'.
