

# VITAMIN IV TREATMENTS

STARTING AT \$100!

## MOST POPULAR VITAMIN IV COCKTAILS:

---

### BRIGHTEN

Look and feel your best with healthy skin and hair prior to any event or night out. Loaded with a custom blend of vitamins and electrolytes to have your skin looking bright.

---

### RECOVER

Detox from a long weekend, hydrate after a tough workout, and help get over a pesky illness with these electrolytes for a quick recovery.

**Featured Vitamins: Ascorbic Acid, B-Complex + B12.**

---

### ANTI-AGING

This blend of powerful antioxidants, amino acids, Copper, Zinc, Vitamin C and more helps to boost collagen, increases cellular turnover, promotes the production of skin plumping hyaluronic acid, and keeps your skin firm and hydrated.

**Featured Vitamins: Copper + Vitamin C.**

---

## CUSTOMIZE YOUR OWN IV TREATMENTS

Create your own Vitamin IV Treatment by combining the vitamins your body needs most.
